## WORK EXPERIENCE

**GRAPHIC DESIGNER**
Feb 2021 - Nov 2022

**FAITH DESIGN & PRINT, LONDON**
Faith is a print production company. During the job period I had the following responsibilities:

- Creating artworks accordingly to client briefs. Such as Brochures, Flyers, Logos, Business Cards, Banners., Restaurant Menus etc.
- Rendering and presenting design mockups for revision and feedback.
- Implementing feedback revision, Reviewing & proofreading designs to ensure that copy, layout, dimensions are print-ready.

**FREELANCE GRAPHIC DESIGNER**
MAR 2017 - JAN 2021

**UPWORK**
Upwork is a Freelance Market place. As a graphic designer, I have worked on this platform with a 100% Job success rate. I've experience working with clients from different countries on various projects.

**DIGITAL LEAD**
JAN 2017 - JAN 2021

**FINESSE LIFESTYLE, SYLHET**
Finesse Lifestyle is a fashion Brand in Bangladesh. Their key products are Clothes, Foot-wears, Bags, Sport-wears, etc. As a Digital Lead, I had to maintain all technical sides like Creative Design, Digital Marketing & Website Management.

## EDUCATION

**UNIVERSITY FOR THE CREATIVE ARTS**
Feb 2021 - Sep 2021

**GRAD. DIPLOMA IN ART, DESIGN & MEDIA**
This course is to strengthen students through the development of their portfolio of works. Building up knowledge of essential academic research skills and methodologies.

**NORTH EAST UNIVERSITY BANGLADESH**
2014 - 2015

**BSC IN COMPUTER SCIENCE & ENGINEERING**
I have successfully completed this 4 Years length bachelor degree. In this program I have learned Advance Mathematics, Programming Languages, Data Structure, Software Engineering, Artificial Intelligence, Machine Learning, Operating System, Computer Networking, Cyber Law, Mobile & Wireless communications etc.
